

JAN. 08,2022

Dear Vendor,

We would like to invite you to participate in our 2022 Wayne County 4-H Fair. Enclosed is the vendor contract for 2022; please complete and return as soon as possible. We will be following all local and CDC guidelines and plans may change at any time.

We are planning on having all types of vendors returning for fair in 2022. We were very flexible in 2021 and want to work with everyone again but feel we commit to you and we need you to in turn stay full run of fair date, so no pulling in and out will be allowed in 2022. We also have gone back to needing a deposit with the contract. Fee for tents have a \$10 increase and electric has a small increase but have remained the same on other fees. Please contact us with any concerns we really care about each of our vendors and want to have another record breaking fair in 2022.
